Peter Wilberg s application of timeless wisdom to . different aspects and areas of living shines new light, and brings important new information and perspective, to the topic areas themselves, and this new book is no exception. This approach often supplants misunderstanding, and/or fills in gaps and blind spots which currently exist in these topic areas, per the incomplete approaches of so-called conventional wisdom. By Living Unbound about the 1st edition. What if the illness is the cure - and not something to be cured? In a way that is clear and practically helpful to both lay readers, patients and health professionals alike, this book challenges the most basic assumptions of almost all forms of medicine - modern or traditional , scientific or spiritual - namely that illness is something to be cured rather than being the cure. To do so it draws on the work of Illich, Heidegger and many others to introduces a fundamentally new approach to health and illness - Life Medicine and Life Doctoring . Life Doctoring is a new form of non-biomedical therapy for serious and chronic illness. Instead of employing standard forms of medical testing and treatment the Life Doctor is there to help the individual come to an understanding of the ways their own particular illness is the cure - how it is a potential source of new healing understandings of themselves and of a healing transformation of their lives. Life Medicine is a new understanding of health and illness that does not separate science and life, biology and biography, the life of the human body and the life of the human being. Instead its focus is on the...
