Written for middle/high-school and college athletes, parents and coaches, Winning empowers readers with the key knowledge and basic tools needed to help prevent and offset brain damaging concussions and accumulated subconcussive impacts. Winning the War Against Concussions in Youth Sports unveils a fast-track brain wellness and safety solution for athletes 21 and under, based on a patent pending innovation called Brain Performance Enhancement or BPE. Called BPE Youth Fast-Track, this condensed version offers six best-practices founded on Nobel Prize research findings and two new medical biosciences informing how to continuously improve the functioning, preservation and growth of brain cells. BPE Youth s quick-win preemptive strike method also turns the tables on youth sports biggest day to day challenge, youth playing head hurt, by providing a Code of Honor and Behavior that successfully managed, prevents this from happening. For youth who play head hurt, suffering another head injury can result in fatal or long-term brain after-effects. This book engages players, parents and coaches by sharing hot...

### Reviews

*An exceptional pdf and the typeface utilized was fascinating to read through. It can be writter in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.*
