BRUNG UP PROPER: MY AUTOBIOGRAPHY

Ebury Publishing, United Kingdom, 2012. Paperback. Book Condition: New. 198 x 126 mm. Language: English . Brand New Book. The is the tale of a cheeky little sod from Salford called Jason growing up surrounded by his properly funny and most definitely shameless family and his discovery that being funny might actually get him somewhere. Other than detention, mugged, dumped or sacked that is. It s about being part of a big, northern, working-class family forever struggling with money, but never short on laughs or misadventures, who show that when the chips are down what really matters is sticking together.
