In network marketing nothing is more important than recruiting. If you want passive income, you’ve got to build a team. Unfortunately, many MLM distributors struggle with recruiting. They can’t get prospects to look at the presentation. They invite people to events but they don’t show up. They follow-up repeatedly but people don’t call them back. What if there was a way to get almost everyone you approach to look at your business presentation? What if you could find out immediately if they were interested? What if you knew how to get more exposures done in a day than you now do all week? Do you think you might get more people to sign up? In *Recruit and Grow Rich*, that’s exactly what you’ll learn how to do. Author David M. Ward is an attorney who started a network marketing business to build retirement income. His schedule only allowed him to work the business a few hours a week and his business grew slowly. Frustrated with his results, he set out to find ways to “recruit smarter” and quickly sign up more prospects. His methods worked. In his first few years he signed up hundreds of distributors and created a six-figure passive income.
