When God first started revealing visions to me, I didn't quite understand what was happening and was full with self-doubts. Now, years later, I wish to share all the things which God speaks to me about, so that the words might be an inspiration for others to draw close to God, and to realise that God has a greater plan for each of us. It was foretold in the bible that young men will have dreams and see visions, and written here, is a collection of prophecies, visions and dreams which God has revealed to me over the last while. I hope that these will be an encouragement to you as you grow closer to God's purpose for your life. This item ships from La Vergne, TN. Paperback.
