

Studies and Notes in Philology and Literature, Vol. 7 (Classic Reprint)

Filesize: 2.37 MB

Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

STUDIES AND NOTES IN PHILOLOGY AND LITERATURE, VOL. 7 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Studies and Notes in Philology and Literature, Vol. 7 In the standard modern Spanish, the language of Castile, the only signs denoting sibilant sounds are ch, s, and x (when popularly pronounced s). In the older speech this particular class of consonants was much more extensive and embraced sounds which now show little or no traces of their former quality. Altogether, Old Spanish had seven different sibilant sounds, represented by the following signs: c or c before e, i; c before a, o, u; z; s; ss; x; g before e, i; j; ch. In general it may be said that the sibilant nature of these Old Spanish signs needs little demonstration, being well vouched for by the testimony of grammarians, who, of necessity, had to define them as they best could, and by the practices common to the Arabic and Jewish portions of the Spanish-speaking people, who, writing Spanish with Arabic or Hebrew characters, used sibilant signs for all these sounds. The most important of the utterances of the grammarians have been collected by the eminent lexicographer Cuervo, whose article, *Disquisiciones sobre antigua ortografia y pronunciacion castellanas* (*Revue hispanique*, II, x ff.), appeared while the present treatise was in course of preparation, and has been its chief source of information as to this particular evidence. Only a few confirmatory notices can be added as a supplement to his citations. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
