Hanlin Books LLC, United States, 2015. Paperback. Book Condition: New. annotated edition. 246 x 189 mm. Language: Chinese . Brand New Book ***** Print on Demand *****.Childhood is the golden time for memorizing Bible verses and for studying languages such as Chinese. In this book, each section has a few Bible verses selected, normally 2-3 verses, which are well suited for children to recite and to write. These verses are chosen with school children at grades 3 and up in mind, and shall be easy for them to understand. The book is designed to help kids to learn Chinese through reciting and writing Bible verses. Children are recommended to study its sister book Bible Verses for Reciting Writing (Grades 1-2) before using this book. But they should have do well if they have mastered some basic Chinese. This includes 200-300 Chinese characters, which they should be able to read and write. To help kids broaden their vocabulary, words and characters are singled out in each section with pinyin annotated. The chosen characters are provided with marked spaces for writing. To help recite the verses, practice pages are designed with blank space for each Chinese character, first with the prompt of pinyin and then without. This book can be used as a complementary exercise book for kids at grades 3 and up. Or, it can be used for kids Sunday school in Chinese churches.
