Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Operation of the Enterprise for the Americas Facility: Report to Congress September 1994 The Enterprise for the Americas Initiative (EAI) opened a new era of hemispheric partnership, encouraging increased trade, investment, and growth. Many barriers to trade have been reduced and investment climates have improved in several Latin America and Caribbean countries. The Initiative served to complement the transformation already underway in Latin America and the Caribbean, where the combination of debt reduction by commercial banks, support from the international financial institutions, and substantial economic reforms in many countries has ushered in a new era of growth. The United States has sought to continue to provide incentives for deep economic reforms as well as enhance the commitment to the quality of the environment and the lives of the citizens of the western hemisphere. The purpose of this report is to discuss the implementation of the debt and environmental elements of the EAI. Debt reduction has been an important tool for encouraging countries to sustain efforts to reform their economies. By promoting economic reforms and...
