Brand New Book ***** Print on Demand *****.Excerpt from Ecumenical List of Translations of the Holy Scriptures: Classified Scientifically According to Geographical, and Linguistic, Considerations Up to the Year 1900 It is not pretended, that in this difficult and complicated subject we have obtained actual accuracy, but, if the present list be adopted as the approximately accurate list in 1900, and a corrected list be printed every five years, and copies circulated among Missionaries and Translators all over the World, mistakes will be pointed out; and as each new Manuscript-Translation is submitted, its exact Geographical position should be reported by the Translator, and its precise Linguistic position settled by some competent Linguistic authority, and in future the recurrence of uncertainties, double entries, misnomers, and omissions, will be guarded against. The Holy Scriptures in their original Languages are omitted from the cumenical list of Translations, but appear on the Price-List of books published by the Society for the convenience of purchasers. Nothing less than a Translation of one Book of the Scriptures gains admission into this List, after it has been printed, and put into circulation, with the object of Converting a Soul. No Serial numbers or Totals are attached...
