iUniverse, United States, 2005. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A selection of poetry, drama, and short fiction. The material is mostly experimental although rhyming and word play are important in the poetry. The subject matter varies from split-second perceptions to life long debates with inner demons. As life is the interplay of repair and renewal this work reflects that interplay not only in the selections presented but also in their arrangement as a whole. We start out confused but amazed and we end up somehow wishing we were children again. I hope you read the whole work and reread what seems confusing. Some of this may take some time to make sense--life is like that too. Reviews: A richly depressing interlude. -- Christian Service Monitor A superbly poor work. Read it for its faults. -- The New Yorker Dull. -- Psychology Tomorrow A grossly engaging failure. -- Domestic Affairs A truly remarkable work by an unknown who will remain one. -- Newsmonth Ineptly wooden stalemate. -- Better Homes and Horses An experience! -- Annual Reviews of Intestinal Medicine I haven't read it, but it's worth it. -- Woman in the street.
