Reviews

*Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.
(Kacie Carroll)*

ORFEO: A NOVEL

WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, Orfeo: A Novel, Richard Powers, "If Powers were an American writer of the nineteenth century, he'd probably be the Herman Melville of Moby-Dick. His picture is that big," wrote Margaret Atwood (New York Review of Books). Indeed, since his debut in 1985 with *Three Farmers on Their Way to a Dance*, Richard Powers has been astonishing readers with novels that are sweeping in range, dazzling in technique, and rich in their explorations of music, art, literature, and technology. In *Orfeo*, Powers tells the story of a man journeying into his past as he desperately flees the present. Composer Peter Els opens the door one evening to find the police on his doorstep. His home microbiology lab—the latest experiment in his lifelong attempt to find music in surprising patterns—has aroused the suspicions of Homeland Security. Panicked by the raid, Els turns fugitive. As an Internet-fueled hysteria erupts, Els—the "Bioterrorist Bach"—pays a final visit to the people he loves, those who shaped his musical journey. Through the help of his ex-wife, his daughter, and his longtime collaborator, Els hatches a plan to turn this disastrous collision with the security state into a work of art that will reawaken its audience to the sounds all around them. The result is a novel that soars in spirit and language by a writer who "may be America's most ambitious novelist" (Kevin Berger, *San Francisco Chronicle*).
