There is that stirring interest in the position of France immediately after the restoration of monarchy, and also of Josephine, which belongs to the consummation of a long series of events--a point of observation from which we can look back and mark intelligently the deep and decisive causes lying below the agitations that revolutionized governments, and changed the aspect of the world. We gaze not only upon the past as from an illumined height, but almost prophetically read the future in the same broad light. In the very capital where four years before the blind Polyphemus, of a horrid democracy, had declared with ghastly triumph and bacchanal shouts, Royalty is abolished forever! the joyous salutation rang over assembled thousands, and a throne of imposing grandeur, Long live the Emperor! Within the temple-courts where altar and cross were demolished,...
