Troubador Publishing, United Kingdom, 2016. Paperback. Book Condition: New. 216 x 138 mm. Language: English . Brand New Book. A Shadowing of Angels unfolds in the murky and dangerous world of covert intelligence collection and the Circuit ; the name given to London-based private military companies. Set in contemporary times, this adrenaline-filled novel highlights the Western world s struggle against the Islamic State, both in the West and in Iraq. Samantha Holloway, a highly trained and effective Intelligence Corps and Special Forces Captain, suffers a serious setback when an agent handling operation in Helmand Province, Afghanistan, goes drastically wrong with life and career changing implications for Sam. People died and Sam paid; she therefore finds herself a team leader on a Circuit mission. An American hostage has been snatched by ISIS and she must now lead her team of military contractors in a daring rescue attempt that will push her abilities to the limit. In their multicontinental search, spanning from London through to Iraqi Kurdistan, her team finally reaches into the heart of darkness -- the Iraqi town of Mosul and the areas of Iraq currently controlled by Daesh.A Shadowing of Angels is written as a tribute to, and in recognition of, the debt owed to both Britain s Special Forces and Security Services, who continue to patrol the evil shadows cast by terrorism to help keep Britain safe. It will appeal to those with an interest in military fiction.
