Hugens: Gmo - Humans

By Jose Tukir

Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.HUGENS GMO Humans The Handwriting on Hell s Wall! This Erotic Thriller is written as a salacious handbook for futuristic Alien Ranchers to assist and guide them through the process of selecting and cultivating Earth s newest life-form (human-bovine hybrids) called Hugens; and is the first collaborative literary offering of this husband and wife team that may be too sexually suggestive for the average reader. However-the fearless might find this fictional allegory-just the ticket for a bit of SyFy afternoon delight! As the veil of lies and deceptions are lifted and humanity wakes up to their true origins, they become increasingly hard to control and the Anunnaki must once again set in motion their plan to eradicate all life on Earth-this time not by flood! However-there s a slight problem! This Vampiric race finds that their lust for human flesh is based on a need for longevity, and before they kill off the last of mankind, they must create human hybrids to keep up with supply and demand-and the sexually oriented Hugen Race is born to...

Reviews

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
