Paperback. Book Condition: New. Ships From Canada. New. No dust jacket as issued. Trade paperback (US). Glued binding. 336 p. Audience: General/trade. From Library Journal This is a highly sensationalized, even xenophobic, treatment of an important contemporary topic, namely the lobbying practices of foreign governments in Washington and the influence-peddling by former American officials. Instead of focusing on the problem itself, however, Choate, the author of *The High-Flex Society* (LJ 9/15/86) and a popular writer on economic subjects, chooses to concentrate solely on Japan. The result is a book that emphasizes negative feelings toward a major economic competitor rather than addressing the need for reform of the lobbying system. Although this book will be highly publicized, it cannot be recommended as a balanced treatment of its subject. BOMC alternate. -Scott Wright, Univ. of St. Thomas, St. Paul, Minn. Copyright 1990 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of.
