400 Years of Silence: Intertestamental Period

By Dr Rick Hertless

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Bible is silent for 400 years, but it was far from uneventful. The events surrounding the birth of Jesus were set up during this vital time in earth's history. God ordains everything that happens in his universe. God does not operate in a vacuum and this exciting period of history is proof of that fact. Even though the Bible is not specific as to the events of the silent years, God is not confined to any specific medium of communication. God uses his creation as proof of his sovereignty and it is possible that is why the "silent years" occur. God never leaves his people to fend for themselves, he is always a part of his children's life. This exciting time tells the story of how the providence of God is paramount even when most think he is silent.
