Baker Publishing Group. Paperback. Book Condition: new. BRAND NEW, Prophetic Guide to the End Times, Derek Prince, What does the Bible have to say about the end times? Bible prophecy reveals much concerning the end of the age, but for most readers, these prophecies can seem vague, confusing, or downright strange. Beloved author Derek Prince assures readers concerned about what the future holds that the Bible's proven record of accuracy, extending over many centuries, validates its claim to predict future events with authority. The "secret things" may remain hidden from us, he says, but our responsibility is to study and act on the "revealed things." And the God who foretells the future is the one who will see us safely through. This biblical, thorough treatment of end-times prophecy from an internationally respected Bible teacher is positioned to become the definitive word on the last days, both for Derek Prince's loyal readers and for many new ones who will catch the vision of the glorious victory to come.
