Merril Press. Paperback. Book Condition: new. BRAND NEW, She Took a Village: The Unauthorized Biography of Hillary Rodham Clinton, Alan Gottlieb, She Took A Village tears the lid off the secrets of Hillary Rodham Clinton in a probing investigation of America's power-grabbing First Lady. This unauthorised biography reveals a life-time of ruthless determination, skilful manipulation and artful denial unmatched in the long history of American presidential wives. She Took A Village puts it all together in a fast-paced, absorbing story you won't want to miss. With his latest book, Alan Gottlieb lobbs another political grenade into the fray over public policy. Long recognised as a leading gun rights advocate and successful direct mail fund raiser for conservative causes, he has emerged as a media mogul through his chairmanship of the Talk America Radio Networks, which boast over 500 affiliate stations from coast to coast. Alan Gottlieb has achieved that most enviable position among writers, the insider status that lets him see the whole picture from the top of the pyramid. You get the advantage of his many years behind the Washington scenes and the crisp, informative, right-to-the-point style that made his earlier books best-sellers.
