SING, MOVE, LEARN

AAPC Publishing, United States, 2009. CD-Audio. Book Condition: New. 190 x 135 mm. Language: English . Brand New. For a child with sensory processing disorder (SPD), many things that we think are commonplace or hardly pay attention to can be overwhelming - different smells, bright lights, even faint sounds, can all trigger a meltdown. AAPC author Jenny Clark Brack has already written two books and a DVD filled with sensorimotor activities designed to help children with their sensory needs. Learn to Move, Move to Learn: Sensorimotor Early Childhood Activity Themes is the first in a series of fun ways for occupational therapists, educators, parents and others to help children develop their fine-motor skills and regulate their sensory system, in preparation for better learning. Every lesson plan in Jenny s book has a specific theme, and many of them include lyrics to songs. Now you can bring the songs to life! Sing, Move, Learn features 25 songs that accompany the themed lesson plans in Learn to Move, Move to Learn . The songs incorporate familiar tunes with new lyrics, as well as featuring a wide variety of musical instruments and different tempos, making Sing, Move, Learn a perfect way to target children s sensory needs. Sing, Move, Learn makes the perfect accompaniment to the Learn to Move, Move to Learn book, and it even makes a great teaching tool on its own.
