These are poems in fact by someone who is anti-social in presence. So it gives him a huge voice. A voice of words he can share with the world while exploring the freedom of expression for the love of poetry and the honor he has from it being a prevalent in his life as it is. Such a release it is. Creating, sharing the passion that burns inside. The essence for this very muse gifts him. Makes him humble in where he is overjoyed by creating words the best that he can. Growing up he was silent. So silent was too shy to speak. Wrote poetry as a young kid but never really shared any of it. Threw it away sadly. But come 2000 he kept every write. So this is a collection of some of those poems from then to now....
