

The Night Clock

By Paul Meloy

Rebellion. Paperback. Book Condition: new. BRAND NEW, The Night Clock, Paul Meloy, And still the Night Clock ticks. Phil Trevena's patients are dying and he needs answers. One of the disturbed men in his care tells him that he needs to find Daniel, that Daniel will be able to explain what is happening. But who is Daniel? Daniel was lost once, broken by the same force that has turned its hatred on Trevena. His destiny is greater than he could ever imagine. Drawn together, Trevena and Daniel embark on an extraordinary journey of discovery, encountering The Firmament Surgeons in the Dark Time-the flux above our reality. Whoever controls Dark Time controls the minds of humanity. The Firmament Surgeons, aware of the approach of limitless hostility and darkness, are gathered to bring an end to the war with the Autosscopes, before they tear our reality apart. Paul Meloy's extraordinarily rich debut novel introduces us to a world just beyond our own, shattering our preconceptions about creativity and mental illness, presenting us with a novel like no other.
