CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 146 pages. Dimensions: 9.9in. x 7.0in. x 0.4in. This new guide provides a more objective and less partisan easy-to-read guideline to the law than the highly advertised Nick Tate's ObamaCare Survival Guide ---ObamaCare Facts. The Affordable Care Act is supposed to help give millions of Americans options for affordable, comprehensive health insurance. Launched Tuesday October 1 2013, the long-awaited online state insurance exchanges were promptly swarmed by millions of people looking to check out prices and sign up for coverage. But many are still left with some very basic questions. Primarily: What are the exchanges and how do they work. This book provides easy-to-understand comparative information to help consumers make the best decisions in the marketplace. It serves as a valuable resource for those currently insured, those who are not, and the tens of millions of seniors, youth, business people and others who will be affected by the new law. This item ships from La Vergne, TN. Paperback.
