Mimi's Village: And How Basic Health Care Transformed It

By Katie Smith Milway, Eugenie Fernandes

Kids Can Press. Hardback. Book Condition: new. BRAND NEW, Mimi's Village: And How Basic Health Care Transformed It, Katie Smith Milway, Eugenie Fernandes, In this fictionalized story about a real humanitarian problem facing many countries in the developing world today, readers meet Mimi, an ordinary girl from an ordinary family in Africa. When her younger sister, Nakkissi, gets very sick after drinking unsterilized water from the stream, Mimi learns firsthand how quickly things can go terribly wrong. With no health care provider close by, her whole family must travel on foot to a nearby village to see the one nurse who can provide the medical care her sister desperately needs. Though Mimi is relieved when her sister recovers, she wishes they could get a health clinic in her own village. Several months later, it is Mimi herself who becomes the catalyst to make her wish come true. Author Katie Smith Milway, a former aid worker in Africa, has written the best kind of global education book for children, filled with information that engenders empathy and understanding. The picture-book format with captivating artwork by award-winning illustrator Eugenie Fernandes brings Mimi's story to life. Along with further information, a glossary and a...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
