

Essays on Immigration

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ESSAYS ON IMMIGRATION

Dover Publications Inc., United States, 2014. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book. In America, everything was possible, recalls Louis Adamic of Slovenia. There even the common people were citizens, not subjects . . . a citizen, or even a non-citizen foreigner, could walk up to the President of the United States and pump his hand. Indeed, that seemed to be a custom in America. The history and experience of immigration remain central to American culture, past and present. This anthology surveys the recollections of emigrants from around the world who sought new lives in the United States. Their stories range in mood and setting from the misery of an Englishman in colonial Virginia, bound by indentured servitude, to the cultural commentary of an Iranian woman in California. Poignant, eye-opening reflections include those of a Polish sweatshop laborer, a Chinese businessman, an Italian bootblack, and a Ukrainian musician, in addition to observations and reminiscences by Jacob Riis, Edwidge Danticat, Junot Diaz, and other well-known authors.
