Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Matter of Love . . . gives you a formula for finding freedom, peace, and unconditional no-matter-what-happiness-happiness. We are at a critical juncture in human history. For the Maya, we are about to enter an era where the heart of humanity can awaken from a dark period that began a little over 5000 years ago. However, the Maya taught me that it is up to each and every one of us to awaken our heart if we are to successfully usher in a new era of greater freedom and peace. From the book Dr. Jackson takes you on a journey from ancient sacred sites of the Maya found in the jungles of Guatemala and Mexico to the shocking news stories he discussed on national television and radio . . . In A Matter of Love, Dr. Jackson operates in the tradition of the father of American psychology, William James, who investigated the varieties of religious experience. Like James, Jackson considers himself an empiricist and a pragmatist - truth is what you see and what works. Dr. Jackson expands the spiritual psychology he first presented in 8 Steps to Love. A Matter of Love is more than a juxtaposition of spiritual, emotional, and practical application; it is an affirmation of the transcendence of the human soul and the power of love to heal. Tony Trupiano, Radio Talk Show Host, Dearborn Heights, Michigan.
