Random House USA Inc, United States, 2013. Hardback. Book Condition: New. 180 x 157 mm. Language: English . Brand New Book. This diet-guide parody shows extra furry cats how to get svelte with kitty-specific versions of popular weight-loss and fitness regimes like the Zone, South Beach, Mayo Clinic, and French Women Don t Get Fat (But Their Cats Do). Americans own more than 86 million cats, and the wild popularity of cat videos--from YouTube to the Internet Cat Video Film Festival--proves that cat-lovers can t get enough kitty humor. This book pokes fun at tubby tabbies--the world s cutest (and surliest) fat creatures--with laugh-out-loud details that will tickle the funnybone of anyone owned by a cat. Lampooning trendy weight-loss regimes and health gurus, this book will also make people feel better about their own battle of the bulge in comparison to cats insatiable appetites and lazy lifestyles. By eating right for their blood type, sourcing raw and living foods, joining Weight Stalkers, avoiding toxic treats, and exercising while lying down, felines of every shape (round) and size (round) will soon be motivated to ditch the fifth serving of Beef Morsels in Gravy for fresh, local options like that vole in the backyard.
