iUniverse. Paperback. Book Condition: New. Paperback. 120 pages. Dimensions: 9.0in. x 6.1in. x 0.3in. Lance Lee knows that Animals, Places and the Past (his past, our pasts) all have a part to play in Becoming Human. The deers soft eyes look at him, he thinks of death. In The Light at Vezelay he writes of Mary Magdalene. Poker-Faced, he lied to his father at 12. Read all about it in this splendid new collection. Lance Lee knows what it takes and proves it skillfully in Becoming Human. Martin Bax, Editor, Ambit, Englands leading Arts Quarterly; author, The Hospital Ship Being male and keeping some balance of mind and heart is eloquently explored in Lance Lees Becoming Human. The years have planted multitudes in my heart he says, and accepting adulthoods sorrows and corruptions while moving on with ones life is a continual step-by-small-step act of heroism. It is wonderful to read a poetry that does not fear to feel, nor softens and delays the fierce depths of experience with mere agreeable anecdote or trendy nostalgia. From the child in his crib, to the boy running from the wolf beneath the stairs, from desires greed for beauty and solace, to acknowledging the German and the Jews joint contribution to his genetics, Lees poems ask that we attend to that continual interior warfare which is the stuff of humanity. With his richly sensuous diction, Lance Lee tackles head on questions of love with all its dignities of aspiration and indignities of the reflective, divided self. This is an honest book, and one of the most passionate documents of the masculine heart around. Our heroic insufficiencies are acknowledged and embraced. This book moves from memory to landscape, into Dantes mind, across Italy and into Dachau. Becoming Human is a rare book; it takes time to...
