Brand New Book ***** Print on Demand *****.Excerpt from Simon: The Story of a Negro Slave in Brazil The coasts of the continent of Africa, whose interior is almost entirely unknown to us, which are washed by the waves of the Atlantic ocean, ever since the terrible traffic with human beings began, have been its inexhaustible source. All the seafaring nations of Europe have a share in the blame, and have assisted in the commission of a crime, in which they saw nothing culpable, for they denied to the unfortunate black man both human dignity and human rights. They considered him an article of trade, out of which commerce might derive a legitimate profit, as out of any other wares. It can hardly be told to what extremes of brutality and cruelty men permitted themselves to go in this nefarious business. Only late, very late, Europeans came to a recognition of their duty, and the Englishmen, who themselves had engaged in slave trade for a long time, began to set its bounds. Their men of war cruised in African waters on the lookout for...
