

## Six Ethics: A Rights-Based Approach to Establishing an Objective Common Morality

By Christian Volz

Ebookit.com, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.New Book Addresses Crippling Nature of Irrational Belief in the 21st Century Christian Volz s Six Ethics takes both a philosophical and a pragmatic approach to addressing the dangers posed by irrational belief, and proposes a framework for creating a legal and social environment where rationality and spirituality might be reconciled. In the 21st century, as international business continues to expand and the Internet and other means of global communications, as well as immigration, continue to bring people from different cultures and groups into contact, individuals need to be prepared to live side-by-side with others who have very different belief systems as well as be self-aware of the sources and principles of their own beliefs. Six Ethics: A Rights-Based Approach to Establishing an Objective Common Morality is the result of author Christian Volz s quest to understand the nature of belief and the relationship of beliefs and ethics in the face of 21st century issues. Volz explains that the late nineteenth century intellectual revolution known as modernism is characterized by the maturing of the concepts of human rights,...
