Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

(Mrs. Jacquelyn Gutmann)

CLANRICARD AND THOMOND, 1540-1640: PROVINCIAL POLITICS AND SOCIETY TRANSFORMED

Four Courts Press Ltd, Ireland, 2012. Paperback. Book Condition: New. 100th. 211 x 132 mm. Language: English . Brand New Book. This short book compares and contrasts key developments in Ireland s two neighboring lordships in counties Galway and Clare, investigating how and why the impact of central government policy was ultimately dictated by local circumstances. As royal authority expanded in early modern Connacht, English common law replaced Gaelic custom and local lordships were transformed into landed estates on the English model. The willingness of the Burkes of Clanricard and the O Briens of Thomond to condone a process of anglicization, under the auspices of a provincial presidency, allowed them to stabilize their authority within a new political structure. By the early 17th century, the earls of Clanricard and Thomond were working to consolidate their English-style landed estates in changed political circumstances. When government-sponsored plantation threatened in the 1620s, the active, if self-interested, participation by the earls in the debate over land titles in the province further enhanced their power, both locally and in the broader political sphere. By comparing the processes of political and social change in the two lordships, this study illustrates the centrality of local political considerations in determining the direction of societal change in early modern Connacht. (Series: Maynooth Studies in Local History - Number 100).
