Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.--Lord Angelo is precise; Stands at a guard with envy; Scarce confesses That his blood flows, or that his appetite Is more to bread than stone. Measure for Measure. Scarcely had the Abbey Bell tolled for five minutes, and already was the Church of the Capuchins thronged with Auditors. Do not encourage the idea that the Crowd was assembled either from motives of piety or thirst of information. But very few were influenced by those reasons; and in a city where superstition reigns with such despotic sway as in Madrid, to seek for true devotion would be a fruitless attempt. The Audience now assembled in the Capuchin Church was collected by various causes, but all of them were foreign to the ostensible motive. The Women came to show themselves, the Men to see the Women: Some were attracted by curiosity to hear an Orator so celebrated; Some came because they had no better means of employing their time till the play began; Some, from being assured that it would be impossible to find places in the Church; and one half of Madrid was brought thither by expecting to meet the other half. The only persons truly anxious to hear the Preacher were a few antiquated devotees, and half a dozen rival Orators, determined to find fault with and ridicule the discourse. As to the remainder of the Audience, the Sermon might have been omitted altogether, certainly without their being disappointed, and very probably without their perceiving the omission.
