

The Agile Team Handbook

By Jan Beaver Phd

Createspace, United States, 2013. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.You ve joined an Agile Team - congratulations! Now what? Many organizations making the transition to Agile assume that Team Members can simply learn all about Agile from others: the ScrumMaster (if you re using Scrum), other Team Members, through osmosis, or some other undefined means. The truth is, Agile frameworks like Scrum or eXtreme Programming (XP) are quite simple in the abstract, consisting of just a handful of roles, meetings, and artifacts. In practice, however, Agile is exceedingly difficult. And while there are plenty of training opportunities available for ScrumMasters and Product Owners, very little attention trickles down to the true engine of any organization using or moving to Agile: the Agile Team Members. One purpose of this handbook is to address that glaring omission. As a companion to Agile Team Training, this handbook is a, well, handy resource providing guidance, practical exercises, and room for recording marginal notes and other thoughts. Detached from formal training, this handbook is designed to provide as much practical help as possible to Agile Team Members, both the freshly minted and...
