Neuware - Diploma Thesis from the year 2002 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 1,7, Stralsund University of Applied Sciences (Betriebswirtschaftslehre), language: English, abstract: Inhaltsangabe:Abstract: The objective of this work is to show the significance of Emotional Branding as a marketing, brand design, and communication instrument based on the changed business situation and demanding customer needs. The five basic senses: taste, touch, sight, sound, and smell shall be explained and set into relation to the brand elements. A lot of marketers discuss about Emotional Branding as the future approach without exactly knowing what this term contains. The aim of this diploma thesis is the development of a conceptual approach in form of a guideline with the key components to emotionalize brands, to give them a face and a character in order to reach the overall aim: the identification of customers with the brand. The first part of this work provides the basic knowledge. It explains and defines in addition to the basic terms brand and branding, terms like brand...
